SENRUG welcomes other members to join its committee. If interested please contact the Chair. It is very unlikely there will be a vote and normally anyone who wants to join the committee may do so. You must be a SENRUG member, and because the committee works mostly by email, you must have access to email. Additionally, you should declare any actual or potential conflict of interests (for instance if you work in the rail industry, hold or are standing for office as an elected representative, or hold office within a Trade Union or political party). Such circumstances will not disqualify you and indeed your experience will be valuable, but we need to be aware so SENRUG as a whole can be transparent and independent.

Individual membership of a political party or trade union which does not involve holding a specific position of responsibility does not need to be declared.

Additional persons may request or be invited to join the committee during the year. This will be at the agreement of the current committee and subject to ratification by the full membership at the next AGM.

*\* Dennis Fancett and Trevor Watson are committee members of Railfuture North East branch, and Dennis Fancett is also a member of Railfuture's European Passenger Group. Ryan Hogg is Chair of the Ashington Blyth & Tyne Railway Association (ABTRA). Dan Nesbitt is a Labour Parish Councillor for Seghill, Peter Strong works in the rail industry.*
